

OUR PARTNERS AND SUPERSTARS

We are proud to partner with leading sports organisations including Netball NSW, who support their clubs and associations to provide and promote healthy food and drinks to their players and patrons. This program is also supported by superstar ambassadors including **Paige Hadley, NSW Swifts & Australian Diamonds player.**

"We thought this would fit really nicely with netball... I think they've actually enjoyed the variety of food that we've got and the healthier options."

Diane Pasco

**Charlestown Netball Association
President**

FINISH WITH THE RIGHT STUFF

HELP THEM FINISH WITH THE RIGHT STUFF

Kids need the right food and drink to fuel their bodies, stay healthy and perform at their best.

It's important that sports canteens offer the right stuff for kids to finish the game strong. This gives their body the best chance of recovering and powering throughout the day.

The Finish with the Right Stuff program encourages junior sports clubs and associations to make it easier for parents and kids to make healthier choices by:

Promoting water as the drink of choice

Providing healthy food and drink options

BENEFITS FOR CLUBS

FREE

Support, resources and training

Canteen profits and variety

Supporting the health and wellbeing of children and patrons

Join the hundreds of clubs across NSW who are part of the Finish with the Right Stuff program

WHAT CLUBS GET

Support and training with practical tools and tips

- Support from program staff
- Online resources and tools
- Free merchandise such as water bottles, carriers, menu boards and more
